

19th October 2018

Dear Parents and Carers,

Please see below our school notices for this week:-

- **Thank you** to everyone for your food contributions for Harvest Festival. We have received a letter from Brighton Food Bank expressing how grateful they are for your support.
- Today is the last day of this half term. School will reopen at the usual time on **Monday 5th November**.
- Please will you **check your child's Parent Pay account** and clear any outstanding debts. We now have 590 children on role and even a small amount on each account makes a big difference.
- You may have seen our new **Office Post Box** on the wall outside the entrance into school. This replaces the basket that was by the office window. If you are posting any cash, please ensure it is in a clearly marked and sealed envelope.
- Brighton & Hove City Council are running **Bikeability courses** during half term at Hove Park. These courses are free, places are limited and are on a first come first served basis. To book please contact Emily Tester on 01273 293847.
- Brighton Science Festival returns this half term with a full programme of events, shows and workshops aimed at young people. Full listings are available at www.brightonscience.com
- **Year 6 will be having a World War 2 Day** on Thursday 8th November. Please can children come to school dressed in 1940's style clothing. Please do not spend money on new costumes (all in the thrifty WW2 spirit).
- Our **School Nurse will be in school on Friday 9th November** and is available to meet parents/carers from 10am onwards. If you would like to book an appointment to discuss issues such as bed wetting, teeth, sleep problems, eating (over or under weight), worms, etc, please contact the school office giving your name, the name of your child and a brief description of the issue.
- The new date for **individual and sibling photographs** is Tuesday 13th November. Once again there will be an opportunity for pre-school siblings to have their photograph taken with their St Andrew's School sibling at 8.30am.

Worship Theme of the Week

This week we have been focussing on thinking of others

Finally, from all the staff here at St Andrew's we would like to say a big thank you for the overwhelmingly positive comments and responses from our Parents' Evening survey. We will give more details in future notices.

We wish you all an enjoyable and relaxing half term.

Mr Lincoln
