Friday 19th October 2018

Dear Parents/Carers,

Due to changes to the School Updates website app, we now have a new app linked to our school website called 'School Jotter'.

This app can be downloaded from your Apple App Store/Play Store and is free of charge. The app allows parents/carers to keep up to date with any latest news updates, calendar/event updates, photograph updates, newsletters etc.

Instructions of how to download this app can be seen below:

1. Please log into your app/play store and download 'School Jotter' (please note that this is free to parents).
2. When you open the app, simply search for 'Woodfield Primary School' or 'WN1 2NT' in the search box.
3. Select Woodfield Primary School from the list. Once this has been chosen, it will always load first when opening the app.

This app is now downloaded. You will now receive updates regarding latest news, upcoming events, newsletters, photographs etc.

If you have any difficulty downloading or using this app, please contact the school office who will be happy to further assist.

Yours sincerely

Miss A Prior
Headteacher
