Faith in Ourselves, Hope for the Future, Love for Each Other Newsletter –19th October 2018

Dear Parents / Carers,

This week we have been enjoying the outdoors in many ways and the children have really been able to show how they live our values of respect, perseverance and thankfulness. Years Five and Six have had very successful residential visits and persevered trying new things and working with new people. I have only heard good things about them all.

Lots of our children took part in the cross country qualifiers with a high level of success and we have several children through to the next round. Well done to all of our children who took part and thank you as always to our wonderful staff and volunteers who make these events and activities possible.

Have a lovely weekend,

Kind regards,

Mrs Karen Williams

Dear Parents,

To help raise awareness for the poppy appeal we would like to

[Create a display of painted poppies and win £500 of art materials!](#)

Through the SAA's Paint a Poppy Challenge, we're inspiring as many children as possible to create their own poppy paintings and drawings.

By taking part, we'll enter into a competition to win £500 of art materials for our school.

Here's how to enter:

- **Encourage** your child to paint or draw a poppy on 125mm square paper
- **Bring your entry into school by 24th OCTOBER** we will curate a display of all our painted poppy entries and upload the photo of our display to the schools special portal.
- **By entering you help remember** those who served for our country

It's a fantastic way of encouraging children to be creative, whilst learning about the First World War centenary too. Let their creativity run wild with any materials you have to hand! We look forward to receiving your entries
