

Recognising its historic foundation, the Woodborough Wood's Foundation Church of England (Aided) Primary School will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with St Swithun's Church and Nottingham and Southwell diocese. The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils.

All parents/guardians seeking a place for their child at this school must complete the Common Application Form which should be returned to the home local authority AND this supplementary form which must be returned direct to school. It is the responsibility of the parent to ensure that the school receives this application form before the 15th January 2016, and that, if required, it is accompanied by the reference from the parent's priest/ minister on the form.

ADMISSION ARRANGEMENTS 2016-2017

The Governors welcome applications for admission for any child between reception and year 6. Every year the governors will admit 30 children to the reception class. Classes 1&2 also have a maximum number of 30 children, and classes 3,4,5 and 6 have a maximum of 32 children.

All applications are considered in line with Nottinghamshire County Council's coordinated scheme. If there are more applicants than places available, the Governors will admit using the Admissions Criteria. The school will offer places, over and above the planned admission number, where a child who has multiple birth siblings is admitted e.g. both twins would be admitted. In the case of infant class size, additional siblings would be 'excepted pupils'.

If information submitted on the application form is found to be incorrect and the child has not started the school term, the offer of a place will be withdrawn. If the child has already started at the school, the sibling criteria will not be applied to any further applications from that family.

IN YEAR APPLICATIONS.

Applications outside the normal admissions round, will be considered in line with Nottinghamshire County Council's in-year co-ordinated admission scheme. If a place is available, it will be offered.

If there are more applicants than places available the Governors will admit using the Admissions Criteria.

The school operates a waiting list, for all year groups, which is maintained throughout the school year in partnership with Nottinghamshire County Council. All children on this list, including applications received in respect of children already at school elsewhere, will be considered at the earliest opportunity after a place becomes available. All existing applications will then be prioritised by the admissions criteria. Waiting lists will then be closed at the end of each school year and parents will need to re-apply if they wish their application to be reconsidered during the next year.

CONSIDERATION OF APPLICATIONS

Children with statements of special educational needs that name a school in the statement are required to be admitted to that school regardless of their place in the priority order. This may reduce the number of places available to other applicants

Children will be admitted to Woods Foundation School in three sections, in the following order of priority:

- A. A 'looked after child' or a child who was 'previously looked after' but immediately after being looked after became subject to an adoption, residence or special guardianship order 1
- B. **Foundation Place applications** i.e. children living in the Ecclesiastical Parish of Woodborough on the 15th January 2016.
- C. **Open Place applications** i.e. any other applications.

ADMISSION CRITERIA

These will be used in any of the above sections where there are more applications than places available. In the event of two or more applications having equal weight for the same vacancy, under any of the following criteria, the Governors shall offer admission to the child living nearest the school, 'as the crow flies'. In the event of two distances being equal, lots will be drawn and independently verified.

1. Children who, at the time of admission, have a sibling attending the school.
2. Children where either parent is a regular worshipper at a Church of England Church AND is also involved in the life and work of the Church.
3. Children where either parent is a regular worshipper at a Church of England Church but is not otherwise involved in the life and work of the Church.
4. Children where either parent is involved in the life and work of a Church of England Church but is not a regular worshipper.
5. Children where a parent is either a regular worshipper at a church of any other Christian denomination, or is involved in the life and work of the church.
6. All other children.

NOTE: - Any application under criteria 2, 3, 4 or 5 must be accompanied by a reference on the school form, from an appropriate minister which supports the information you have given. No application will be considered under these criteria without a current reference, but will be considered under criterion 6.

SPECIAL CIRCUMSTANCES

Children will be given special consideration if their particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional. Each case will be considered by the pupil and personnel committee on its own merits and may be accorded a high priority. The evidence must be presented at the time of application. Children who are successful in their application will be offered a full time place from the beginning of the Autumn term. Some parents may wish to defer until the child is of compulsory school age and if you are considering this option it would be advisable to talk to the headteacher in the first instance.

- '**As the crow flies**' is defined as the distance from the child's home address to the main entrance of the school as measured using Nottinghamshire County Council's computerised distance measuring software.
- '**Parent**' is defined as that person or persons who have legal responsibility for the upbringing of the child.
- '**Sibling**' is defined as any of the following:
 - A brother or sister who share the same parents.
 - A half brother or sister where two children share one common parent.
 - A step brother or step sister where two children are related by a parent's marriage.
 - Adopted or fostered children living in the same household under the terms of a residence order.
