

Fri 28th September 2018

Dear parents and carers

Thank you so much for all your support with the trip yesterday – the children had a brilliant time! It was a really successful morning.

Due to the trip yesterday, I did not manage to get my Stars of the Week into the Newsletter – my apologies..... So..... Class 3 Stars of the Week for this week are.....(drumroll).....

Jack – for always trying his best, always having a smile on his face, and generally just being a superstar in the classroom!

Bella – for being so patient, so hard working, so helpful and so kind. She is a real treasure!

All the children have been working really hard in school this week. They are doing brilliantly at revising their 2x, 5x and 10x tables. Next week we are starting to move onto some more challenging times tables so keep up the good work!

The spellings will continue to be collected in, tested and sent out every Monday. Now that we are into the swing of things in Class 3, I am asking that all children have a go at 10 spellings unless I specifically say not to! So, unless I have written in their spelling diary, then you can assume they have to do all of them from now on!

I have started setting Mathletics homework on a Friday. It will always follow the work we are doing in class. The children have a week to complete it. It should only take half an hour so if you find it is taking much longer, please do get in touch and we can try a different approach for your child. The idea is to enjoy maths.....!!!

Please continue to read every night at home with your child. Reading diaries are collected in and checked every Friday – but please ensure they are in school every day as we try to hear children read in school whenever possible.

Thank you so much for supporting what we are doing in class. If anyone is free to come in and hear readers at any point, please do! Help in the classroom is always welcome!

Have a good weekend!

Ms Cadman
