

### **Leo's Den in Woodborough Woods**

Leo's Den in Woodborough Woods is a Breakfast and After School Club based at the school. Leo's Den is run by Leo's Children's Nurseries Limited which is based in Arnold and also has two further school clubs at Richard Bonington Primary School and Arnold Mill Primary School.

The Den is run by Jenny Beasley who has over 30 years experience in childcare. Jenny has worked at Leo's Children's Nursery since 1992 and has been the Playwork Leader at Leo's Den since it opened in February 2010. Jenny was also one of the first pupils to attend Woodborough Woods School when it opened in 1968.

Leo's Den is open from 7.45am-9.00am and 3.45pm-6.00pm. Children are dropped off at school in the morning and collected in the afternoon by our Den staff. We provide healthy meals at both the Breakfast Club and the After School Club.

Activities provided at the Club include cooking, sand and water, painting and sewing. We also have access to the school playground and provide our own outdoor equipment for the children's use. From time to time we organise short outings around the village.

We offer a regular booking system or ad hoc bookings, however these are strictly subject to availability.

We also operate a Holiday Club which is based in the grounds of Arnold Mill Primary School in Arnold. The Holiday Club is open to all children aged 3-11 years during all Nottinghamshire County Council school holidays.
