**NEWSLETTER 19<sup>th</sup> October 2018**

Dear Parents,

**Harvest**

It was great to see so many parents and friends at our Harvest Festival last week. The Year 6 house captains visited a number of homes in the village and delivered harvest boxes. The reaction was wonderful; the people were so delighted that they had been thought of and selected for a gift. A big thank you to Mr & Mrs Blanchard for generously giving their time to organise the harvest gifts and Mrs Blanchard's help in delivering them.

Many thanks for your amazing kindness in providing so much food to share amongst the community. At the last minute we received notification from staff at Yatton House explaining that their building was under-going renovation work and they would be unable to take this year's donations. Alternative arrangements have been made and your kind contributions have been gratefully received by the Middlesbrough Food Bank charity which is also supported by the congregation of St. Augustine's Church.

**Y6 Tag Rugby Tournament**

On Monday 8th October two teams of Y6 Tag Rugby players competed in a cluster school tournament at Stokesley School. Our pupils represented their school brilliantly, demonstrating determination, skill and excellent sportsmanship. Our roving reporters Matilda and Emma submitted this match report:

"Everyone tried their best at the tag rugby tournament. We all really enjoyed taking part, having lots of fun playing together as a team and meeting new people. We did not win but we have all made great progress in rugby."

**Football Tournament**

There was more sporting action this week, when our school football team took part in a tournament. Again the children were fabulous ambassadors for the school, giving 100% effort, determination and smiles. Two children received a Fair play Award, Jemimah for her determination and Josh for the passion he displayed during each game. Well done everyone!

Our sports reporter Isobel commented: "The school football team played a tournament at Stokesley school. We were against challenging teams and thankfully the weather didn't let us down. We all had good fun."

## **Dangerous driving will cost lives...**

We still have a number of people who are causing concern when collecting the children after school. The lay-by and approach roads must be used appropriately to ensure the safety of all concerned. Please share our concerns with everyone who visits our school. The police have been informed of our parking problems and will take action to safeguard our children.

**\* The layby is one way so please DO NOT reverse out of the gate entrance at any time.**

\* Keep the area with yellow diagonal lines clear at all times for emergency vehicles.

\* Do not park on the yellow lines opposite the layby and car park gate.
