

## Friday Flyer 19th October 2018

Year 1 enjoyed a wonderful day at Twycross Zoo on Tuesday. We saw lots of different animals and used our learning in science to look at them in more detail. Mrs Gore, Mrs Morris and Mrs Thomas were extremely proud of all the children and they were a credit to our school. Special thanks to Mrs Norton and Mrs Parker who helped on the day.

Please can every child bring a clean pebble of approximately 7-8cm (or more) to school by the end of this half term. We intend to create a memorial poppy in the school grounds.

St. Peter's Church are asking for children to attend the Remembrance Service on 11th November; please let the office know if you plan on attending the service and your child would like to take part. The children will do a reading of a poem or prayer that they have written in school. They would need to be in school uniform please. The service starts at 10am at church ending with a procession to the Cenotaph.

We are sorry to say that we have had a number of individual complaints from local residents about children in St. Peter's school uniform causing damage to trees and hedges in the village after school.

We are more than happy for children to climb trees and would encourage them to explore their surroundings and enjoy nature—but what we do not expect is for this to cause damage. We would ask parents, with the school, to reiterate the message to the children to take care of their Environment, be respectful at all times and to be safe (know their limits when climbing, especially if there are no adults supervising at the time).
