It is incredible that the half-term break is already upon us. It has been a joyful, busy term and the new Reception children have settled quickly and the confidence they display in school is delightful.

We remain determined to pursue a broad, engaging curriculum by offering exciting learning opportunities that, we hope, the children will remember forever. Without exception, from Welly Walks to sleepovers, the children have made the most of every opportunity and the pictures in the foyer are testament to their enjoyment.

Thank you for your enthusiastic support of the Harvest Festival and an amazing amount of food was donated to the Trussell Trust. In total, over £282.45 has been collected for charities this term alone and it is superb that we are nurturing a generation of children who are so thoughtful about helping others.

We hope you all enjoy a safe, happy half term and we shall look forward to seeing you ready for the next busy term on Monday 5th November. Thank you all, as always, for your tremendous support.

Attendance: Kingfisher 1 have the highest attendance month with an amazing 99.55 % - well done indeed!

Photo permission

During the coming term, there will be multiple opportunities for us to capture joyful images of your children in a number of events. Pizza making, pantomiming, public performances, community flashmobs and singing at a number of venues have already been planned and every child will be involved in at least one event.

Therefore, it is very important that you return your child's photo permission form to ensure that we are always able to act in accordance with your wishes. Further copies of the form will be sent after the half term break. If you have any questions about how your child's image will be used, do not hesitate to ask office staff.

Children in Need

On Friday 16th November, children are invited to come to school in non-uniform to raise funds for Children in Need. We are inviting children to come in the spottiest outfit they have, ready to share in Good Learning assembly.

Any donations will be gratefully received and anyone wanting to pursue some spotacular fundraising of their own, can find many great ideas at <https://bbcchildreninneed.co.uk>

Consultations

Between 1:30pm-8:00pm on Thursday 15th November and 9:00-11:45 on Friday 16th November, all families are invited to discuss their child's attainment, progress and well-being. Appointments can be booked online or at the office from 1st -> 11th November. If you are unable to attend, please let us know so that we can make an alternative appointment.
