

Newsletter 8: October 23rd October 2018
"Tuesday is News Day!"

Dear Parent/Carer,

The Tech Trek fund is now closed. Adding together sponsorship money, the donation from the coffee morning and the sale of raffle tickets for the Victoria Tower model, the grand total raised is just over £3500. If we can convert this money into laptops, everyone has raised enough money to buy:

Amazing!

Clare Brewster

The Highway Code

Please take some time to discuss road safety with your child, especially with regards to behaviour when walking on or near a road during their journey to and from school. As the days become shorter, road safety is of paramount importance. How could your child become more visible on dark mornings?

Pupil of the Week:

The Pupil of the Week this week is Billy. Billy produced a fabulous English homework and came to my office to show it to me. I was so impressed by the time and the effort he had put in to producing his very best work.

Operation Christmas Child

Your child will be bringing home a leaflet all about Operation Christmas Child. We have 100 wrapped shoe boxes that need filling. Please collect a box from reception and support vulnerable children at Christmas.

P.E. Kit:

Please remind your child to bring their P.E. kit home with them this half term for a freshen-up. It's a good time to check the kit in its entirety and to ensure all items are named... including trainers!

The 'Peg' Victoria Tower

Well done, Aniela for being the lucky winner of

the stunning Victoria Tower, made out of pegs. Thank you to all who bought a raffle ticket.

Cross Country:

On Tuesday 9th October, a team of children took part in the Kirklees Finals for Cross Country. They all ran exceptionally well. Alex is to be congratulated for winning his race and Eva for coming 7th out of a large number of competitors. We hope that both runners have done enough to qualify for the next round in the competition. Well done to all who took part and those cheering on the side-lines!

Bikeability:

Congratulations to the 34 pupils who took part in the Bikeability course. Every child achieved at least Level 1; making them more proficient and safer cyclists.

Sports Hall Athletics:

Congratulations to the Year 5/6 children who took part in the Sports Hall Athletics event at Honley High School. The children really worked well, competing as part of a team. A big thank you to all the parents who helped with transporting the children to and from the event.

Date for you Diary:

26.10.18: 2.45pm Come and see what your child has learned during History Week.
