Re: Water works for Lyneham Primary School, Chippenham, SN15 4QJ

It is necessary for us to carry out a new service connection between the 06/11/18 - 08/11/18 between the hours of 09:30 - 17:00.

We would be grateful if you could avoid parking in close proximity to this location. It may be advisable to move any cars prior to this time.

Access will remain available at all times. We would ask for your co-operation to keep the area clear of vehicles.

We may need to place cones in areas where access is required to our apparatus and to allow our vehicles to park in close proximity. **Please do not remove these cones**, as this will delay the works going ahead.

Whilst we will do our best to keep disruption to a minimum, the very nature of this type of work means that some disruption is inevitable.

We thank you in advance for your understanding and co-operation on this matter and apologise for any inconvenience caused. Any problems please call the planning office on 02035 778332.
