24 October 2018

Dear Parents

Just some additional information before we break up:-

Parents Evenings

Parents evening opportunities will be on Monday, November 12th and Wednesday, November 14th. Sign-up sheets will be in the porch from tonight.

Plastic bottles

Can you please save and send in clean, clear plastic bottles (any size - 500ml, 1 litre or 2 litre) for a craft activity that the children will be doing when we return after half term.

Clubs

As always, there will be no clubs the first week back with the exception of Football Club on Tuesday that WILL be taking place in preparation for the semi-finals that they will be taking part in. Information about next term's clubs will be in the Stanton News on the first day back.

Vegetable/Fruit sculpture

The catering department are running a vegetable/fruit sculpture competition for children to enter. The sculptures can be any theme, shape or size and there will be a small prize for each entry. The competition will take place on Thursday, 15th November during National Schools Week and children will need to complete their sculptures at home and bring them into school that morning. The Catering Supervisor will choose the winner. The winning entry from our school will be entered into a further competition with other schools in the county and the winning school announced later.

Have a great half term break!
