

DENBY DALE FIRST & NURSERY SCHOOL

NEWSLETTER ISSUE 3

19TH OCTOBER 2018

The school has been very busy this week. The children have been developing their speaking and presentation skills, whilst learning about the 5 British Values. They now have a better understanding of democracy, the rule of law, individual liberty, mutual respect and tolerance of those of different faiths and beliefs. It has been lovely to see them sharing their thoughts and ideas.

This week **Year 2** went to Shelley College and took part in a variety of multi-skill activities. A few activities ranged from; hockey, table tennis, balancing, jumping and basketball. They all had a chance to try 20 different areas. The children were representing our school and did us proud. They were well behaved and members of staff at Shelley College praised the children on their performances and good behaviour.
