Your child will be encouraged and supported to achieve at the club and play an active part in its development. Our staff are highly qualified, DBS checked and have many years combined experience of working with children between the ages of 4–11 years.

It is important to us that our service meets your needs and we will work hard to form a partnership with you.

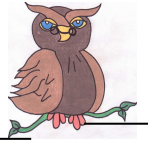

Food and Drink

All food is carefully picked to be healthy and nutritious. Fresh drinking water is available at all times. All dietary requirements catered for.

We provide a serving of food in line with government guidelines which stipulate that the tea served at an after school club should not replace the child's evening meal.

Arrival, registration and Departure

It is important that we hold all of your child's details and therefore require you to complete an admission form to register your child in the club.

Breakfast Club

Please bring your child to the main hall doors (situated on the back playground) at the start of the session. At the end of the session we will take your child to their classroom.

After School Club

FS2 and Year 1 children are escorted to the school or cabin for registration. All other children can make their way independently. At the end of each session please collect your child promptly from the Smart Owls cabin, situated at the edge of the school's front playground.

Booking

To book a place for you child please telephone on 07707 473792 after 3pm and between 7.45 and 8.45 am, or a message/text can be left at any time.
