Saint Helena of Discovery

- Saint Helena of Discovery got her name from discovering something we value dearly... The Cross.

She found the “True Cross” of Jesus, which had disappeared after Jesus’ crucifixion, in the year 326AD.

- She was the mother of Emperor Constantine, who took control over Rome.
- Rome mistreated Christians for over two centuries but Constantine stopped this and made the Religion legal when he became Emperor.
- She was sent to the Holy Land in 326AD to save artefacts from Jesus and His disciples.

Saint Helena of Discovery

How can we follow in similar footsteps to our Saint?
How can she lead us going forward?

Saint Helena,

Guide us in our discoveries as we go forward.

*Help us to understand that what we find could be valuable to many
people around us.*

Amen.
