## Newsletter October 2018

Dear Parent and Carers,

Doesn't time fly! It doesn't seem that long ago when we were basking in lovely summer sunshine, now we are approaching half term.

This half of term has been a bit challenging at times but it is always lovely and refreshing to see the children after the summer break all keen and eager to learn, long may this continue. On the 9th November there will be a special remembrance service held at St Andrew's Church. This will be led by Y6 and we would like to invite you along to take part in this special service. The precise times for this will be sent out closer to the day, but will be in the morning and coincide with two minutes silence at 11.00 am.

I would like to thank you for all of your support this half term and wish you a lovely break.

### Safeguarding

E-safety is really important and we take it very seriously here at Netherton CE Primary School. Children are able to go online more than ever before. It is important to teach children how to go online and not just restrict their usage. Children need to learn how to become responsible online citizens and take care of themselves and others in the virtual world. For more information please visit the link:

### Swimming

From November Year 5 will continue to go swimming every Tuesday. Please ensure your child comes to school with their swimming kit.

### Poppy appeal

We will be selling a variety of items along with poppies in support of the Royal British Legion. Please buy what you can to show your support for this worthy cause. We did brilliantly last year, let's try and raise even more.

### Website and New App

Our new website is now live! We also have a new app, search your app store for 'school jotter' or see reverse of this page for additional information.

### New Teachers

A warm welcome to our new Teachers Miss Owens and Miss Woodward who joined us in September.

### Breakfast club

We still have availability, please speak to the office team if you would like your child to join.

### Fundraising—Foodbank

Thank you to everyone who donated food for harvest. We raised 159.5kg enough to make 319 meals. This was donated to the Black Country Food Bank.
