

East Crompton St. George's C of E Primary School  
**Sport Premium Impact statement 2018**

(based on 2017-18 amount awarded £17,630)

## **What worked well / key achievements / Impact**

- Existing school staff and partnerships with external agencies including Oldham Sports Development, POGS, Kaizen-Do Karate and Adam Atkins supported opportunities to develop skills in dance, multi-skills, **football, swimming, water polo**, badminton, karate, cricket, **hockey, handball, athletics**, archery, rounders, **netball**, dodgeball and cheerleading. (Level 1/ **Level 2**)
- Children attended off-site tournaments in **handball, swimming, water polo, netball, athletics, football** and **hockey**. The year 4 water polo team qualified for the Oldham Schools Water Polo final. The netball team were champions at the Shaw Schools cluster tournament, and the handball team were narrowly beaten in their tournament final.
- Swimming is an important life skill and can encourage a healthy and active lifestyle. In 2017/18 - 100% of year 6 leavers could perform safe-self rescue in different situations. 64% could swim competently, confidently and proficiently over a distance of at least 25 metres, 60% could use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)
- All children were involved in a Level 1 School Games Day as part of National Sports Week (date registered on the School Games website). 13% of children were engaged in leading, managing and officiating school games activities either during Sports Week or as part of the Sports Leader programme.
- Reception children were introduced to key skills designed to improve their coordination. Almost 70% of the class achieved the Physical Development: Moving and Handling Early Learning Goal *“showing good control and coordination in large and small movements. They moved confidently in a range of ways, safely negotiating space. They handled equipment effectively”*
- All classes are timetabled 2 hours of PE per week. Systems are in place to track children’s participation in school sport and games and opportunities are provided to attract less active young people to participate in physical activity. 30% of children were engaged in extracurricular sporting activity every week with 7% of previously non-active children engaging for the first time in 2017/18. Participation levels remain high for after-school clubs.
- Whole school participation in Walk to School week – March 2018 – over 65% of children in each class received their badges and certificates. Class pedometers provided opportunities for personal challenge and digital competition.
- School maintained the Bronze ‘School Games Award’ with positive feedback and clear actions to achieve Silver.
- Continued investment in the Professional Development of key staff – including specialist coaching working with all staff, release time and cover for attendance on courses, network meetings and sporting events within the local schools’ cluster group. PE coordinator has actively engaged with their School Games Organiser by hosting and attending CPD opportunities and workshops. Achieved FA Primary Teachers Award – April 2018.
- Developed and maintained active links with local community and leisure providers including Kaizen-Do Karate and Shaw Cricket Club who provided a cricket workshop for KS2 children
- Provision of a wide variety of resources to support and enhance the physical wellbeing of pupils – Outdoor provision and storage – including an orienteering course within the school grounds in partnership with Castleshaw centre.

## **What will change next year? / Key learning**

- Continue with existing partnerships – all timetables to reflect a full term with year groups, year 4 classes each to swim for half of the academic year for a 1-hour session.
- Specialist from Oldham Sports Development to work alongside school staff (some of whom who are in new year groups) to deliver lessons that support other curriculum areas. Partnership with POGS will continue – moving across year groups and alongside school staff (CPD) to deliver more active opportunities at lunchtime.
- Continue to develop Sports Leaders.
- Work with all stakeholders / listen to pupil voice to create a planned calendar of activities that pupils are interested in accessing to promote children's health and wellbeing.
- Activities to develop fine motor skills and master basic movements.
- Develop outdoor area.

## **Evidence verified by SGO / HT / SLT / EVC**

- Registers of attendance – curriculum /extra-curricular
- School Games Mark Application 2017/18 – verified by SGO
- Minutes of meetings
- Calendar of events
- Notice board to promote School Games Activity
- Letters to parents /participants
- Risk Assessments
- Photographs
- Course certificates
