

## Help Wanted!

We are grateful for all the help we receive from you throughout the year e.g. making Christingles, coming on trips, hearing readers, helping with number facts.

**Would you like to help us but can't always commit time every week or during school time?**

We would LOVE help with tasks such as...

sticking on name labels, cutting out work, taking down displays, backing display boards, sticking in sheets, cutting out laminated words for the classroom!

You wouldn't even need to come into school to help with some of these but if you did come into school you wouldn't necessarily have to commit to a regular time slot.

Throughout the year, there will also be creative tasks such as making cards for Christmas, Mother's Day and Father's Day. Having an adult to help with these is incredibly helpful!

If you are able to help in any way, please let us know using the slip below.

Thank you very much,

Miss Coull, Miss Farnsworth and Miss Jackson

---

I can offer help with:

- Cutting/sticking etc at school
- Cutting/sticking etc at home
- Creative tasks such as Christmas cards (we will let you know when these are scheduled throughout the year)
- Please let me know more about helping with 1-1 reading or 1-1 number facts
