What a long half term it has been! The children are ready for a well earned break after all the hard work they have done in this first half term. We hope that all the children have a wonderful break. Don't forget that the clocks will go back this weekend too.

#### PTA events

Today the PTA are sending home plastic cups for donations of sweets for the Christmas Fair. Please send your filled cups back in to school before the 9th November.

#### Rice Challenge

Air Class are still in the lead!

#### Health and Safety

Just a gentle reminder that children should not use the playground equipment and climbing frame before or after school. Footballs may be brought to school for use at playtime, but should not be used on the playground.

Please be aware that the School Office gets very busy on the run up to Christmas. If you need to visit the office, please be patient - ring the buzzer and wait for a member of staff to answer. If you are waiting in the Reception area, please do not let other visitors into school, even if you know them.

The good weather may not last too much longer, so I would like to draw your attention to the Gritting and Clearing Policy on the school website. This outlines the areas that will be safe to use in the event of snow and ice. Children should also come to school with a coat and appropriate footwear. Thank you.

#### Dental talks

We were very pleased to have a Dental expert from the NHS in school this week. The children took part in workshops and the sessions were very enjoyable and well received. Our children were praised for their behaviour and attitude. Well done everyone.

#### After School Clubs

Everyone who has asked for a place in our Sports clubs have been allocated one. There are some spaces left so please let us know after half term if your child would like one.

Please have a look at home for any school sports kits. We have several items missing and will need them for the competitions we have coming up before Christmas.

Young Voices rehearsals will be on Tuesdays after school from now until the event in January.

Kind regards  
Katherine Rawes,  
Headteacher
