"Where Childhood Matters"

Dormice and Fieldmice Newsletter, Week Ending: 26.10.18

Dear Parents/ Guardians,

This week we found 'Room on the Broom' by Julia Donaldson in the basket. Some of the children have attempted some word labelling independently as well as potion making. They also also learnt a song (with actions) which goes with the book. This led us to read a number of books by the same author.

In maths we have looked at the properties of shape. We feel that the children are very good at naming the basic shapes but we have talked more closely about why a triangle is a triangle. The children enjoyed some shape hunt activities outside and have created pictures using shapes. The children have also enjoyed printing using shapes in the creative area.

Things to note:

- Thank you for checking in your cupboards for flour and food colouring. This will be a big help.
- We will be adding photographs to the school website to show some of the activities we have done this term. Newsletters can also be found on the website.
- Please remove ear rings on a Wednesday for PE as we have to find tape for a large number of children so that they can participate in PE.
- Thank you for continuing to tie hair back as this helps with head lice prevention.
- Please put a note in reading records to let us know what your child has done at home as this helps us to move your child forward with their reading. Thank you!

If you have would like to speak to us or have any concerns, please do find us at the end of the day. We hope that you enjoy the holiday.

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
