Parents and carers who live in the Essex County Council area (excluding those living in the Borough of Southend-on-Sea or in Thurrock) can apply for their child's school place online using the Essex Online Admissions Service at:

www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- You will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **12 November 2018**.

The closing date for primary applications is **15 January 2019**. This is the statutory national closing date set by the Government.

Key Points to Remember

- **APPLY ON TIME - closing date 15 January 2019.**
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **Make sure you read and understand the Education Transport Policy information on www.essex.gov.uk/schooltransport if entitlement to school transport is important to you. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. Please contact us if you need advice on 0345 603 2200.**

Introduction to the Schools' Admissions Policies Directory for West Essex

This Directory should be used with the Primary Education in Essex 2019/2020 booklet which is available on our website at www.essex.gov.uk/admissions by parents and carers whose children will be starting primary education or transferring from infant to junior school in West Essex in the school year that begins in September 2019.

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the West Essex locality. This includes areas 2 (Uttlesford), 11 (Epping Forest) and 12 (Harlow) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: www.essex.gov.uk/admissions.

The deadline for receipt of applications is **15 January 2019**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator or any changes in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a Local Authority (LA) to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at www.essex.gov.uk/admissions, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools both in and out of Essex, in the order in which they would like them considered.

On 16 April 2019, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied to four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Child will then be offered a place at the nearest Essex school to the home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 16 April 2019 (National Offer Day) parents who applied by using a paper form will be sent a letter containing the result of their application. An email will be sent to parents who have applied online and have requested it, confirming the outcome of their application.

2. children with a sibling attending the school;

See Note 2

A summary of the school's admissions policy.

Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2018. In general this will be the same as the PAN for 2017. The total number of applications received was collated on 16 April 2018. The PAN and the number of applications received for 2018 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

Note 2

Timing of Admission. As required by law with effect from September 2011, all infant and primary schools provide for the full time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2019. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

Admissions Policy

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2019/2020 booklet);
2. children with siblings[‡] attending the school;
3. children of school staff fulfilling a skills shortage role*;
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child's proximity to the school.

Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school; but only after any applications are considered where there is third party evidence (e.g. from a medical specialist or a social worker), provided at the time of the application, setting out the exceptional medical/social need of the child (or their parent/carer) and why only this school, rather than any other, is able to meet that need; the final decision on such applications will be made by the school's governors.

'Home-to-school distance' is defined/measured as Straight line distance from the address point of the home address to address point of the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2019/2020 booklet.

*This option is only available for teaching or leadership staff with a permanent contract to work at the school; it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area.

Admissions Policy

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2019/2020 booklet);
2. children with a sibling[‡] attending the school;
3. children of school staff fulfilling a skills shortage role*;
4. home-to-school distance – meaning that the remaining places are allocated in order of each child's proximity to the school.

Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school; but only after any applications are considered where there is third party evidence (e.g. from a medical specialist or a social worker), provided at the time of the application, setting out the exceptional medical/social need of the child (or their parent/carer) and why only this school, rather than any other, is able to meet that need; the final decision on such applications will be made by the school's governors.

'Home-to-school distance' is defined/measured as Straight line distance from the address point of the home address to address point of the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2019/2020 booklet.

*This option is only available for teaching or leadership staff with a permanent contract to work at the school; it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area.

‡ LA sibling definition applies.

Waiting list held until: end of autumn term.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area.

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2019/2020 booklet);
2. children with a sibling[‡] attending the school at the time of application;
3. children living in the priority admission area;
4. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2019/2020 booklet. In the unlikely event of two applicants with an identical distance competing for a single place at a school the place will be offered to one applicant on the basis of lots drawn by an officer of the County Council not involved in admissions.

Exceptional medical circumstances (supported by medical evidence at the time of application) may override the above. The relevant medical reasons may be in relation to either the child or one or both parents. Applicants must provide evidence from a doctor or other registered health professional setting out why the preferred school is the most

suitable, and the difficulties that would be caused if the child attended and had to travel to another school. Applications made on this basis will be considered by the Admission Authority. The panel will decide whether the evidence provided demonstrates that the medical circumstances are exceptional and if it is appropriate for the application to override those in other admissions criteria.

2. straight line distances as calculated by the LA as described in the Primary Education in Essex 2019/2020 booklet.

* The term ‘practising Catholic’, in accordance with the teaching of the Church is taken to denote a Baptised person who is in full communion with the Catholic Church. This includes the Eastern Catholic Churches. Eastern Catholics are in Communion with the See of Rome, but should be referred to by their proper title, ‘Ukrainian Catholic’ ‘Maronite Catholic’ etc. The school’s admission arrangements should accord equal rights of admission to Eastern and Roman Catholics.

In accordance with the above teaching, a priest will confer the status of ‘practising Catholic’, where a child has been baptised in accordance with the teachings of the Catholic Church, and where compliance with the Sunday obligation is the established practise of the child and their family. ‘Practice’ for Catholics has been defined as Mass attendance each Sunday (Saturday Vigil) and Holy Day. It should be accepted that, where the child is living with his/her parents, at least one of the parents should be fulfilling the obligation to practice with the child, rather than grandparent(s) or uncle/aunt or elder brother/sister taking responsibility.

‘Catholic families’ are families where at least one parent is a baptised Catholic.

^‘Catechumen’ means a person who is being initiated into the Catholic Church, taking part in a program of preparation for Baptism. This will normally be evidenced by a certificate of reception into the order of catechumens.

~‘Eastern Christian Church’ includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
