

Pupil Premium for academic year 2018/19

This figure will be updated when indicative allocations are issued with our Budget notification in March 2019.

We thoroughly analyse data to identify which pupils are underachieving and why and which interventions are most successful. The money is then allocated to support the core areas of literacy and numeracy; we know what we want to achieve from our interventions and evaluate the progress regularly.

Number of pupils and Pupil Premium Grant Allocation

Total Number of Pupils (Year R to 6) 134

Amount received per Ever 6 pupil £1320

Amount received per post LAC pupil £2,300

Total amount of PPG received £15,160

Intervention	Amount and % of allocated PP spend	Description and Objective of Expenditure	Impact Expected
Allocation of additional Pupil premium TA's to ensure fulltime support available for interventions for all eligible pupils	£11,449 TA 1 £2085.25 TA 2 89%	To ensure that all eligible pupils are tracked closely; that regular assessments take place to identify next intervention steps; that necessary interventions can be developed in response to individual needs.	Children eligible for PPG have the support and intervention so they make more rapid progress in areas of need.
Allocation of funding to support Pupil premium children on school trips	£860 6%	To ensure all children can participate in curriculum extension activities	Inclusivity

Pupil Premium supports children in specific areas of need this can include subsidising uniform, school trips, resources for specific interventions etc. The above table will be updated to show the spending in these areas as they arise and amended if further pupils become eligible.
