LO: To write a recount

One Wednesday we went on a coach it took an hour and a half to get there. We went to Oxburgh Hall and I sat next to my mummy on the coach. When we got there we had some fruit and I had my baby bell and my blueberries. Then we all split into two groups. The group I was in went to the castle tour. In the castle my favorite thing was the priest's hole and the Queens room. The priest's hole was very small. My mummy couldn't really get out of the priest's hole! There we went to the very top of the castle and I saw a big chess.

After that we went around to the little gaps and the lady told us that they chuck hot oil down to people they don't want to come in. After that we went to the boxes. The boxes is where we can see old stey from a long time ago. I found a bead necklace and a little tray. Then we both had lunch. I had grapes and a ham sandwich and a cookie and crisps. Then we went back to school.
