

Take Away Homework for Year Group 2 / Autumn 2

Celebrations Menu

Choose your homework from the menu below. You must complete the starter, and choose one task from both the main (minimum task list or extension ideas) and dessert menus every half term. The 'chilli rating' suggests the level of difficulty and challenge of each task. You should complete at least one 'flaming hot' task every term. Always read the homework guidance and expectations on the website before you begin. The extension ideas can be used to stretch and challenge your work further.
