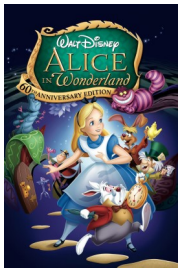
ENGLISH

In English we will be reading 'Alice in Wonderland' by Lewis Carroll. The children will be writing their own stories and focussing on using appropriate vocabulary and effectively editing their work.

We will also be writing shape poems based on characters from Alice in Wonderland.

In reading we are focussing on reading a variety of texts. They will read and retell ldifferent fairy stories, myths and legends.



MATHS

In maths this half term we will be looking at measurement, multiplication and division.

The children will work on:

6, 7, 9, 25 and 100 times tables

Measuring, length and perimeter

Multiplication and division

Problem solving

RE

In RE we will be learning about festivals of different faiths, why they are celebrated and what happens during them.

YEAR 4

ALICE IN WONDERLAND

AUTUMN 2

SCIENCE

In science, the children will be working with electricity. They will creating circuits using simple electrical components and testing them to see what makes them complete or incomplete.

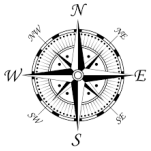
ICT

GEOGRAPHY

In geography, we will be learning the eight points of a compass. They will use this knowledge to follow instructions and give directions.

Art

This half term we will be working on portraits based around characters from Alice in Wonderland. The children will be using ink washing to create a final piece.



MUSIC

Year 4 will be focusing on listening to music and identifying styles as well as composing and performing. This half term we will be using glockenspiels to perform the music.

The children will be learning about months and talking about the weather. They will be discussing different items of clothing and performing a short play in French based on the nativity.

PE

In outdoor PE, we are working on multi-skills. The children will learn important catching, throwing and ball skills. In indoor PE, our focus is gymnastics. We will be working on how we move and balance.
