

## ENGLISH

The children will be doing work from the book 'Jungle Grumble' and writing their own mixed up animal tale.

We will also be looking at our author Oliver Jeffers and reading his stories throughout the term.

### Read Write Inc.. PHONICS

Our phonics continues this term and the children will be reading a range of stories in their small phonics groups.

## MATHS

In Autumn 1 the children will be learning about the number system. We will be working on:

- Number recognition
- Writing numbers to 20
- Addition/Subtraction facts
- Count forwards/back
- 1 more/1 less
- 2D and 3D shapes

## ART & D.T

The children will be working on line techniques. The children will look at work by different artists one will be Jamie Taylor, who has created many paintings using animals.

## Year 1 — AUTUMN 2

### Jungle Grumble

## HISTORY

In history we will be looking at the life of Oliver Jeffers. We will be researching for information to learn about the history of books.

## PE - Gymnastics

The children will be practicing using the low level apparatus (benches and gym tables). They will be working at moving the equipment safely. We will be working at our balancing, jumping and landing.

## RE

We are looking at the question "what does it mean to belong?"

The children will be learning about the special clothes and symbols of different religions.

## COMPUTING

We will concentrate on e-safety this half term.

The children will be using Class Dojo to take pictures and videos.

## SCIENCE

The children will learn about different animals and humans. They will find out about animal habitats, body and diets.

## PSHE

The children will be working on the topic 'Relationships'

Areas we will focus on are:

Gifts and talents

Understanding jealousy

What is bullying?
