

Long Buckby Infant School

Learning By Inspiring Success

Mission Statement

Our vision at Long Buckby Infant School is to provide a happy, safe, environment for every child. We aim to achieve our best and be kind and respectful to each other.

We will work together to create a safe, inspiring environment where we can be happy, learn exciting things, discover new talents and develop our skills.

At Long Buckby Infant School we believe in:

‘Working as a team to achieve the best for each child’

Our Curriculum will:

- Be broad and balanced, and encourage pupils to be curious, creative and inventive.
- Be imaginative, inclusive and fun, and enable pupils to develop enquiring minds and a thirst for knowledge.
- Promote resilience and perseverance. To inspire and support pupils to be adventurous with their learning.
- Enable pupils to develop expressive, confident communication skills.
- Be delivered through high quality teaching, assessment, monitoring and personalised learning in order to maximise progression for every pupil.

Our school community will:

- Provide a safe learning environment where respect and caring attitudes flourish.
- Be reflective and always find ways to improve.
- Be a strong team where everyone feels valued, supported and safe.
- Celebrate the value of every success and support any areas for development.
- Have consistent high expectations of behaviour and positive attitudes towards others.

Our Pupils will:

- Be supported to have pride in themselves, each other and the school.
- Develop positive attitudes to life-long learning to support children’s opportunity to become responsible and productive adults.
