

Half Term Curriculum Overview

Class 6: Autumn 2 - 2018

English

- We will be finishing off the class novel 'The Lifters' and then basing some of our literacy work around this.
- Our main units will be looking at historical stories, playscripts and then poetry. Bonfire Night and Christmas work will also take place!

Topic (A Kingdom United/Food Glorious Food)

- We will concentrate on Geography, History and Science this term. We will have lots of fun learning about where our food comes from and trace it right across the globe!
- In History, we continue work on the Anglo-Saxons. Our main focus will be on Sutton Hoo, an ancient burial mound.

Maths

By the end of the year children in our class are to know their times tables inside out and back to front! Please practise these as much as possible at home to develop quick mental recall. We will work hard in class on plugging any gaps in knowledge found during recent tests. I will let you know on Parents' Evening how your child is getting on with the Yr 6 maths curriculum.

PSHE and RE

- Mrs Croskell will teach RE this year.
- PSHE will focus on healthy relationships and lifestyles.

Music

We will continue to follow the Lancashire Charanga Scheme to learn music.

PE

This half term we will have Yoga coaching from South Ribblesdale Sports Development. We will also have athletics sessions – hopefully leading to a Yr 6 tournament!

Homework

- **Homework:** SPAG homework will be set every Friday. This will be handed in the following Wednesday.
- **Spellings:** There will be three spelling sessions each week in class and a list to learn at home for a weekly Friday test. Spelling Shed is also crucial!
- **Reading:** To read daily at home (10-15 minutes). Books are changed when necessary.
