Thursday 1st November 2018

Dear Parents / Carers,

On Tuesday 20th and Thursday 22nd November we will be holding parent's evening consultations for parents and carers of children in Year 1 and 2. These will be held after school from 3.40 through to 6pm. Our online booking system which allows you to make appointments will go live on Monday 5th November. Please use the link on the front page of the school website or follow:

The dates for these parent evenings are later in the Autumn term than they have been in previous years. This is to bring them in line with the new assessment timetable that we have introduced in school which will allow your child's class teacher to share more detailed information about their attainment and progress with you.

These appointments will allow you to find out about how well your child is doing in school and will give you an opportunity to ask questions or find out how you can support them at home. Class teachers invest considerable time and effort preparing for these consultations so attendance from all is encouraged.

We look forward to welcoming you at our KS1 parent evening consultations.

Kind Regards,

Mr O Bradley
Headteacher
