Religious Observance Absence

If you are celebrating Diwali next week, please notify the school office before Wednesday to make us aware that your child will not be in school. This way, you will not be disturbed with a phone call home on the morning.

Please be aware that only 1 day of absence for religious observance per year will be authorised.

Happy Diwali

Book Fair total = £1826.53! 😊

Well done everyone! We now have £1095.92 to spend on books for our libraries!

Anti-Bullying Week 12th – 16th November 2018

At Kestrels' we take Anti-Bullying VERY seriously and understand the importance of raising awareness of both defining and tackling Anti-Bullying issues.

As a school, we are hoping to create a scarf to wrap (display) lovingly, to show that all children matter and that their needs and how they are feeling is very important to us. During Anti-Bullying Week. Each child will select a piece of ribbon based on their own personal reasons and will be given an opportunity to express why they have chosen it. These pieces of ribbon will then be placed together to create the scarf. Please take this opportunity to talk to your child about what colour ribbon they might choose and why.

If you need some support with Anti-Bullying issues, please visit:

Visit our local library!

Our local library is the Hamilton library next to Tesco. It has lots of books to borrow, free access to computers and information. It's free to join too!

We have also teamed up with the library so every time your child visits the library to take out a book to read, they will get a stamp in their reading diary, 1 of these stamps will earn them dojo point at school! 😊

Black History Month

Black history month falls in the month of October. As a school we have been researching and celebrating the achievements and sacrifices of historical and modern Black figures. Our focus was on understanding the importance of positive role models and what they represent. As a school we understand the importance of representation and have recently purchased more books representing BAME groups. We have an understanding of how vital it is to treat everyone with compassion and respect. It was heart-warming to see children share their experiences of Black history month. Many children struggled with the idea of discrimination and unfair treatment and this is due to the fact that it isn't something that comes naturally to them. May we all continue to strive to create a world that is welcoming and open to all. Check out Twitter to see what we've learnt! #BlackHistoryMonth #Compassion #Respect

RIBBON...RIBBON...RIBBON

We need Ribbon PLEASE!

We are creating a 'Harmony Scarf' during Anti Bullying Week this year and would very much appreciate any donated ribbon you may have. Please could you bring it into school by Friday 9th November.

Many Thanks.
