Dear Parents,

Welcome to the first newsletter of the new term.

This is always a busy term in schools with the build up to Christmas. We have lots of exciting events planned for the children in the coming weeks.

Now that the winter appears to be upon us, we would like to remind you to ensure children are sent in with a warm coat to wear outside, we do tend to go outside even when it is drizzling, so coats are needed.

We have had some difficulties with the supplier of our school jumpers and cardigans and continue to have a lack of the larger sizes. However we have changed supplier in the hope that this problem will soon be resolved. As soon as we have a new stock we will notify you. Unfortunately there will be a slight increase in price with the new supplier, which we will inform you of once the stock arrives.

Across the school the children have been very engaged in their learning.

Fir Tree Class have started their new topic about 'Up and Away' and have been writing about and making gingerbread men.

Forge Class have begun their topic of Guy Fawkes, soon to be followed by the Great Fire of London. They have made some beautiful chalk firework pictures to match their acrostic poems.

In Hurstwood, Kemsley and Oakwood classes the children are continuing their topics from the previous term to ensure their learning is further embedded and they have a variety of rich activities to enjoy.

We will be holding our 2nd Firework Display next Friday. Please could I remind parents not to park in the village hall car park as the hall has been let for a function. The Bell have kindly offered their field car park (beyond the rear pub car park) to alleviate pressure on parking.

Well done to both the Key Stage 2 football and netball teams for their matches against St. John's School on Thursday. The football team were unfortunately defeated 12-0, however they showed remarkable resilience and the spirit of Bredhurst in their perseverance. We had only 2 year 6 representing us so our team consisted of children from years 4,5 and 6. St. John's team had only year 6 pupils, so our children performed very well.

Our netball team won 6-5. It was a very close match but due to excellent defending from Isobel Day and Abigail Maclellan and a last minute goal from Samuel Jackson we went on to secure a win. Very well done to both teams.

Unfortunately Mr Eggleton is unwell and will not be in school for the next two weeks. We will keep you updated on his progress.

Thank you to Miss Kyle who has offered to come into school on Fridays; running a lunch-time music club and teaching Fir Tree and Forge classes for the afternoon. There will be the opportunity of after school music tuition for possibly violins—more information to follow.

Thank you to all our parent volunteers who are helping with displays and reading. Your help is very much appreciated!

Have a lovely weekend,

Best Wishes

Lest We Forget

We will be holding a Remembrance Service during Worship next Friday 9th November. If any one has any photographs or anything they would like to bring to share regarding a relative they may bring them in on that morning. All parents are welcome to join us.

Poppies will be on sale all week at the end of the school day, with a special sale on Monday. These range from children's items: pencils, rulers, bracelets, rubbers and reflectors to adult items of car air-fresheners, fold up bags, enamel broches, key rings and fridge magnets.

[Our usual Celebration Worship will take place on Monday 12th November, again all parents are welcome to join us.](#)

REMINDERS:- Please do ensure that jumpers and cardigans are labelled. They are very prone to go missing. We do try to encourage the children to put them in their trays or bags when they take them off, but they still do misplace them. If they are **clearly labelled** they are easily returned to the rightful owner.
