2nd November 2018

Dear Parents and Carers,

Welcome back to term 2! Things are off to a flying start with classes already carrying out the stunning starts for learning journeys. There has been some very exciting learning taking place across the school, with children even discovering dinosaur footprints and eggs in the classroom! The children are still looking at the evidence. We also had our KS1 sharing assembly this morning, which was fabulous. Thank you so much for attending; we had so many parents and carers come along.

We have included images of Mr. Broad teaching our year 6 children music, where the children have a chance to play a number of different instruments to the theme tune, Blue Skies. Looks like so much fun!

Look out for the slips that children were given if your child had permission to have a flu vaccine yesterday. Year 6 also had a health check so it was a very busy morning in school!

We have the KS2 remembrance service with Father John on Wednesday the 7th of November at Buxted Church, starting at 2.45pm. KS2 children will need to be collected from the church after this event, unless they are due to join Sunshine Club or attending choir practise with Mark Broad for the Big Sing. We are very low on numbers for this, so please encourage your children to join in, as a wonderful opportunity. We will be carrying out a service for the whole school on remembrance.

The children are being photographed today. We are noticing a few children are not wearing ties. If you need to purchase a one, we have them available at the school office.

We have the following booked for sports events: Basketball session and athletics for years 5 and 6. A multi- skills event for year 2 is also coming up soon. It is wonderful to be taking part in these activities. Thank you to Miss Young. As a school we are really trying to promote sport, as well as health and well- being. We are aware that there are a number of parents that have skills in a particular sport, who may be able to run a club or help out in some way. Please let Miss Young know if you are at all interested. Checks will have to take place, such as DBS and references, which is a necessary part of safe guarding.

We are also raising the profile of reading, and would welcome support hearing children read. Again, we would need to carry out a DBS check. We know parents have volunteered in the past and are eager to do so again. Please contact Mrs Jones if you would like to volunteer with when you are available. Thank you.

We have KS2 sharing assembly booked for next week on Thursday the 8th of November, starting at 9am. We look forward to seeing you all there.

Poppies are available in the office if you would like to support the poppy appeal.

Thank you for your continued support,

Yours sincerely,

Mrs H. Simpson

Head of School

Mrs Radford
