

DERBYSHIRE COUNTY COUNCIL

Summary guidelines of records retention periods for schools

Please Note:

Due to the ongoing Independent Inquiry into Child Sexual Abuse (IICSA) no pupil and staff record should be destroyed until further notice. The guidance below gives a retention period (in the 'Retention Action' column), but where records should **not be** destroyed, this has been noted in the 'Disposal Action' column. For further information/clarification please contact the council's Corporate Records Manager by emailing records.management@derbyshire.gov.uk or telephoning 01629 539203.

Introduction

These guidelines have been produced by Derbyshire County Council to assist schools in the management of their records. The guidelines outline the recommended retention periods for schools based on legislation and common practice.

It is the responsibility of schools to retain their records for the appropriate retention period, or to transfer their historical records (those specifically highlighted in this document) to Derbyshire Record Office as the archive service for Derbyshire County Council. The retention guidelines produced in this document are some of the key retention periods which need to be considered. For a comprehensive list of retention periods schools should consult the Schools Toolkit produced by the Information and Records Management Society (available at <https://irms.site-ym.com/general/custom.asp?page=SchoolsToolkit>).

Explanatory Notes

The retention guidelines will outline a description of records, followed by the action to be taken in (e.g. retain for 3 years). This will be based on an event/action which will trigger that retention action (e.g. date record created). The disposal action will either be the destruction of the records, or their transfer to another organisation (either another school, or as archives to Derbyshire Record Office).

These guidelines may include references to records which are no longer routinely created as part of school business (e.g. log books). These have been included to assist schools who have a large backlog of historical records which require reviewing. Under the Freedom of Information Act 2000 LEA schools (including schools which are granted academy status) are regarded as public bodies and are subject to the Act. This requires that schools manage their records appropriately against agreed retention periods.

Sources of further information

For specific queries regarding records retention periods please contact Derbyshire County Council's Corporate Records Manager by emailing records.management@derbyshire.gov.uk or telephone 01629 539203.

For queries about transferring records to the Children's Services Department please contact the Data Protection and Freedom of Information Officer on CAYAFOI@derbyshire.gov.uk or telephone on 01629 536470.

When considering transferring records to Derbyshire Record Office schools should contact an archivist at the record office to seek advice on how to go about transferring records. Email: record.office@derbyshire.gov.uk or telephone 01629 538347.

Glossary of Terms:

Business decision: if there is no law or regulation to say how long a record should be kept, we may base this decision on the administrative needs of the organisation

Closure: when a record ceases to be 'current' – this can be the when a set of minutes are formally agreed, or when a Help Desk incident is formally closed. Many retention periods are triggered after the 'closure' of a record

Common practice: if there is no law or regulation to say how long a record should be kept, we may base this decision on what similar organisations do

Disposal: the processes associated with the end of a records lifecycle, they will typically include destruction of the records or transfer of the records to Derbyshire Record Office for permanent preservation

Functional Description: the description of the function that the record serves (i.e. the functional description of a set of minutes is 'the process of preparing business...')

Permanent: Retain the record permanently and offer to Derbyshire Record Office

Record: the recorded evidence about an activity

Retention Action: the action regarding the retention of a record, triggered by a particular event (e.g. closure of a record)
