Elephant's Tea Party 15/11/18

Children in Need 16/11/18

Christmas Show 6/12/18

- This month we continued our topic 'The World Around Me' and explored who was in our family and each made a family tree. We also learnt about pets, found out who had one and loved playing an interactive game on the board, taking it in turns to look after a kitten.
- We also learnt about different types of houses. In art we had great fun making Box Buildings and looking up our houses on Google Earth in topic work.
- We finished October with some Halloween play! We enjoyed carving pumpkins, creating potions and making playdough pumpkins and spiders. In cookery we decorated pumpkin biscuits and made scary face pizzas – yummy!
- Fantastic costumes from everyone – big well done to Ryan who won best dressed for our class 😊

## November Preview

- We will continue with our topic and learn about people who help us within school and our local community (the police, firefighters and doctors).
- November holds a number of important dates in our school calendar starting with Anti-Bullying Week.
- Following this we will have an 'Elephants Tea-Party' for Grief-Awareness Day and look forward to meeting Pudsey Bear and taking part in a range of activities for Children in Need.
- Believe it or not in November we are starting our Christmas Show rehearsals!! Practice makes perfect after-all! Save the date – 6<sup>th</sup> December, you won't want to miss it!
