## We Believe in.....

- Promoting active participation in sports and exercise, suited to everyone's needs and abilities
- Promoting emotional and mental well being
- Providing a safe environment in which to learn and to ensure people in the school community keep themselves safe in the wider world
- Having robust safeguarding procedures
- Having clear policies and procedures for reporting health and safety concerns
- Having a clear equal opportunities policy
- Enabling pupils to express themselves
- Providing a caring supportive environment
- Providing access to mainstream opportunities where appropriate
- Developing the means to communicate
- Enabling pupils to make choices and express views
- Enabling pupils to be as independent as possible.
