5th November 2018

Dear Parent/Carer,

At the end of every short course, we would like the pupils of KHJS to showcase their work to parents and carers. This will take place between 2:50pm and 3:10pm (the last 20 minutes of their lesson) in the final week of the short course the pupils are currently completing. Each class within a year group completes a different short course at any given time so there will be 4 different opportunities for the children to showcase their work from different subjects across the year.

The different showcases will take the following format:

- **Dramatic arts** - a performance of songs, music or acting.
- **Computer Science** - pupils will demonstrate what they have learnt in the short course and Mr Frith will explain how the same coding resources can be accessed at home.
- **RE** - Pupils will share their work in an interactive workshop.
- **Art** - Pupils will showcase their work in a gallery and demonstrate art techniques learnt.
