

Castleton C of E Primary School

‘Stay and Play’ sessions for our preschool community

Do you have a child aged between 0 and 5?

If so, you are invited to come along to our
‘Stay and Play Session’ which is held in school on a Monday
morning 9am to 11.30am.

This session is for parents to run their own activities with
their children in our cosy classroom.

Come along and play, build, create, read and make yourselves
at home.

There will be tea and coffee available and a fruit snack for the
children. We just ask for a small donation to cover the costs of
milk etc.

This is an ideal opportunity to get to know the school, is an
easy transition into school if your child will be attending, and
a great way to make new friends.

All welcome.
