

# Weekly Newsletter 5 November 2018

## **Cake Sale Update**

Between the cake sale after school and the break time sales of popcorn and snacks, the Year 5s have raised just under **£260** towards the costs of visitors into school and visits out, which is absolutely brilliant.

Thank you for your support, whether you sent in cakes or gave your children some money to buy snacks. It is greatly appreciated.

## **Remembrance Poppies and 2L plastic bottles**

Your children may have told you that we would like every child in the school to make a poppy out of the bottom of a 2L plastic bottle. We are aiming for a poppy display on the Chestnut Avenue fence so if you are about to put a plastic bottle into the recycling please bring it in for us instead.

The Y6 children will also be selling the more traditional poppies to raise money for the Royal British Legion as usual. If you would like your child to have one please give them a silver coin to donate.

## **Belgium class**

Miss Anna Friggens is a supply teacher in Belgium class who is helping us out this week while Mr Silvester is poorly.

Thank you for your support.
