Dear Parents / Carers

The Virgin Care Services Team have informed us that, whilst they have tried to make the process as simple as possible, some people are encountering problems when filling in the online consent form using a Samsung device. If you do have any difficulty, please try using a different device. Failing this, please contact the Virgin Care Services Team direct on 0333 234 1125 and they will be happy to help.

Kind regards

Admin
