Monday 5th November

Dear Parents/Carers,

On Tuesday 20th and Wednesday 21st November you are invited to work alongside your child in their new class to enable you to see how we teach English across school. The school uses Novel Study as a hook to teach all of our English lessons. The children base their writing on parts of the novel through engaging and stimulating tasks and through hooks that the staff set up to ensure the writing is based on a first hand experience . We also teach the grammar and vocabulary through the novel.

The hall will open from the start of school for you to come in and have a coffee and chat with other parents. There will a short input about the things you are going to see in lessons and about why we have adopted this approach to teaching writing. Then at 9:30am you will be directed to your child's classroom to work alongside them. The lesson will finish at 10:15am and the children will go out to break giving you the opportunity to ask the staff member any questions.

Please could you indicate on the slip below whether you will be attending the lesson on Tuesday 20th and Wednesday 21st November so that we can organise the morning effectively.

We look forward to seeing you in school and hope that you will enjoy working alongside your child.
