Dear Parents/Carers

Reception Year Language Intervention Programme

This year Prae Wood Primary school have been invited to take part in the trial of Nuffield Early Language Intervention, which is funded by the Education Endowment Foundation and the Nuffield Foundation and led by Professors Charles Hulme and Maggie Snowling of Oxford University.

The attached letter outlines what the study is trying to find out, how it will be run and how your child might participate. There are also details of the privacy notice for the scheme, and how to opt out, should you wish to do so.

We will discuss the scheme further at the forthcoming curriculum meeting.

Please return any opt out forms to school by Friday 14th September.

Kind regards

Jenny Sheppard
