

Half Term Curriculum Overview

Class 3 - Autumn 2 - 2018

Literacy

- During this half term we will be reading and writing Fables, Poems with a structure and persuasive letters.
- As part of these literacy units, the children will be taught spelling and grammar skills alongside regular handwriting lessons.

Topic

Healthy Humans

- This half term sees us looking at humans and animals and their diet. We will learn about them needing the right types and amount of nutrition and that they cannot make their own food – they get their nutrition from what they eat.
- Children will find out about the 5 different food groups on the eat well plate and have an understanding of what each part provides us with in terms of nutrition.

Maths

- Written subtraction
- Written and Mental multiplication
- Counting, sequences and multiplication facts.
- Written and mental division
- Time
- 3D Shape

French

Class 4 will be taught by a specialist foreign languages teacher. Très bien!

DT

We will be planning for and creating a picnic using all of our knowledge of the 'Eat Well Plate'. This will involve tasting various foods and coming up with a menu to serve.

PE

- This half term we are playing Net and Wall games.
- We will also be taught by a specialist gymnastics teacher.

Homework

Some creative ideas for our topic homework:-

- Make a 3d eat well plate.
- Take photographs of meals eaten and explain which parts of the 'Eat well plate' is in the meal.
- Take the time to cook with your child and discuss ingredients and how they are good for our body.
- Keep a food diary for a day and add each meal to an Eat Well plate.
