

# Year 3 Newsletter

## Topics this term

- **Topic:** Vikings
- **Science:** Lights and Humans
- **PSHE:** Globalisation and human rights.
- **RE:** Morals, Values and Christmas.
- **PE:** Dance and hockey
- **ICT:** Typing skills and PowerPoint
- **German:** Likes/dislikes and Christmas
- **Music:** Structure and pitch

We hope your child had fun in Term One and that this continues into the Christmas Term.

Thank you so much for the support you have given so far this year with the children's learning at home.

### PE

Please continue to ensure that children have the correct kit for both inside and outside PE as they look much smarter when all presented correctly! Children should have a plain white t-shirt, black or navy shorts and a plain black or navy tracksuit. Suitable footwear should also be provided.

We are unable to help with taking earrings out so please ensure if you child has their ears pierced they are able to take them out on their own. If they cannot, they will not be able to do PE and will miss all the fun!

### Class Assemblies

Our class assemblies are happening in term 2. We hope that you will be able to join us!

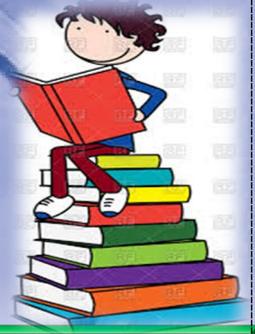

Penguins

Tuesday 13<sup>th</sup> November

Lions

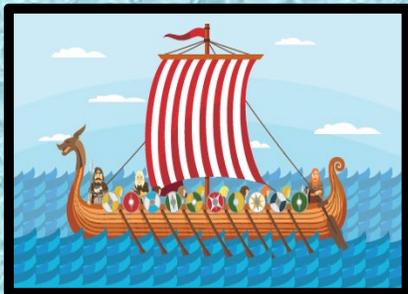

Tuesday 27<sup>th</sup> November

# Notices

## Cardboard wanted!

*This term the children will be making and creating their own mini Viking Longboats so if anyone has any corrugated card at home, it would be much appreciated.*

## Reading

Please continue to support your child with reading at home, ensuring that you read with your child at least 3 times a week. Record this with your signature and if possible a comment. Any independent reading the child does at home can also be included in the reading record if it is signed by a parent.

We reward reading!

**3 comments in the reading record= 1 DOJO**

Buster Book Club – Year 3 need to be reading for this on a Wednesday evening. Please record on the buster book mark at the front of the reading record.

## Homework

Just as a reminder, both Maths homework and Spellings are given out on a Friday.

Spellings are tested on a Friday.

Maths homework is due in on the following Friday. Although it is not official homework, practising times tables for 5 minutes every day will make a huge difference to your child's progress in maths. Any support and help you can give your child with this will be much appreciated.
