

Half Term Curriculum Overview

Year 5 - Autumn 2 - 2018

Literacy

- During this half term we will be reading and discussing narrative poetry
- We will be reading an historical novel, A Christmas Carol, and writing our own extra chapter.
- Within these literacy units, the children will be taught spelling and grammar skills alongside regular handwriting lessons.

Computing

- This half term we will be continuing with Coding.

PE

- This half term we will be playing Invasion games.

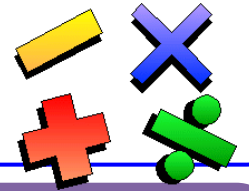

Topic Food, Glorious Food!

- This half term in science, we are looking at reversible and irreversible changes, related to food.
- In geography, we shall look at food from around the world and where our food comes from.
- We shall look at, and understand what Fairtrade means.
- In DT, we will be designing our own celebratory dishes.

Maths

Times tables – try and practice these at home too, so you become quick and accurate.

- Division
- Fractions and decimals
- Multiplication
- Area

French

Year 5 will be taught by a specialist foreign languages teacher.

Homework

Some creative ideas for our topic homework:-

- Can you try and make some food from around the world. Maybe you could share your dish with some family or friends? Bring in a photo of your dish, a copy of the recipe or even a sample for us to try!

Please continue to read your book and practice your spelling daily.
