31 October 2018

Dear Parents/Carers,

We are excited to announce that Science and Maths Club will be taking part in the **Primary Engineer Leaders Awards** during the 2018-2019 academic year.

The competition will be challenging primary pupils in our region to research engineering, interview inspiring engineers and answer the question *"If you were an engineer – what would you do?"*

This is a fantastic opportunity to engage our pupils with real engineers who will convey the importance of Science, Technology, Engineering and Mathematics (STEM) in their daily lives. Pupils will be able to let their creativity run free, and draw and write about how they interpret the question and come up with inventions and ideas.

Last year over 37,000 pupils from across the UK took part in the competition. Hundreds of shortlisted entries were displayed at public exhibitions across the nation and were visited by thousands of people. Visit www.leadersaward.com for details of this year's exhibitions.

Calling all engineers!

Are you an engineer or do you have links to the engineering industry? If the answer is YES, then we would be delighted to have your help and support as we embark on the **Primary Engineer Leaders Awards 2018-2019**. You will only be required to come in on one or two days in order to be interviewed by the children participating.

If you are interested in helping, please sign the slip below. For more information on the Leaders Award please go to Twitter [@Leadersaward](https://twitter.com/Leadersaward) or the Facebook page, *Primary Engineer and Secondary Engineer Leaders Award*.

If you are chosen to support us, Miss Ho will contact you directly.

Yours sincerely,

Mrs Martine Clark
