

# Driffield Junior School

Dear Parent/Carer

As part of our British Wildlife topic year 6 pupils are going to spend a morning exploring our natural environment near Kings Mill. Children will walk down to Kings Mill and have the opportunity to observe, photograph, sketch and classify the surrounding plants and animals. Children will use their observations when they return to school in their writing, art work and science.

Children will need to a waterproof coat, a pair of wellingtons or walking boots and casual trousers as it is muddy. Children will need to bring their school uniform and normal school shoes to get changed into when they return to school.

The dates of these visits are:

6HR & 6M - Tuesday 13<sup>th</sup> November

6B & 6C - Thursday 15<sup>th</sup> November

If it is very wet, we will not go and will let you know the re-scheduled date as soon as possible.

Mrs H Mudd  
Year 6 leader
