

Year 3

Autumn term 2

Dear Parents/Carers,

This is a booklet of your child's spellings for this term. Please do not complete this spelling booklet all at once – **one page a week**. We will be teaching the spellings in class each week where we will be explaining the meaning of the words but please encourage them to ask you or use a dictionary if they are unsure.

Please complete the spellings on a week by week basis as this will help your child to memorise them. Please **remove the sheet each week** so that this sheet can be handed in on a Wednesday.

They will be tested every Wednesday on the 10 spellings that they are set. The date that each list will be tested on is printed at the top of the sheet. Their spellings will vary week by week, with new spelling rules being taught.

This means that they will be focusing on a certain spelling rule, recapping previous spellings or recapping/learning commonly misspelt words.

Please help your child to practise their spellings each week. It is a required part of home learning that your child writes their spellings into sentences. This needs to be handed in each week on Wednesday.

By writing their spellings into a sentence, they are using the word in context which will help their understanding of the words. Please practice regularly throughout the week to help your child with their long term recall of their words and the rules. Also, help point out the words when you hear your child read as this will help show the words in context.

If you have any questions or queries, please do not hesitate to contact Miss Morrison, Mrs Lange or Miss Scott

Thank you.
