

Beacons 02.11.18

Erin, Isla, Elaina, Nchedo, Connor, Zaviar, Oliver, Luca

Elaina led our opening prayer with some beautiful words and thoughts.

Talked about postponing our previous Tag Day idea until term 3 as the School Council have planned a pyjama day this term. Discussed how Miss Vallejo and her team are happy for us to help decide on a charity to have a % of the proceeds from the pyjama day.

Suggested charities- Demelza House, Stardust, Evelina

Hospital for children with heart problems (Royal Brompton)

We are going to ask School Council if we could help sell some teddies.

Any teddies left over could be donated to a charity.

What ways can we help spread the love of Jesus and help children in STM with their faith journey?

Erin suggested that we share Bible stories to children in the quiet area at least once a term.

The team members from year 4-6 want to read Bible stories to younger children in the quiet area or outside if it is a nice day like today.

Elaina suggested making posters to help children think about following Jesus' teaching- maybe acrostic poems. Elaina also suggested that we have more drawings on our posters for the younger children.

We finished with Isla leading a very thoughtful prayer.
