## KS2 Drum Lessons

We are now able to offer drum lessons to all KS2 pupils, if you would like some more information, please call into the school office.

## Respect

- Polite
- Considerate
- Thoughtful

**"Love one another as I have loved you" John 13:34**

This term our school Christian Value is Respect. We will be providing opportunities for the children to learn about how they can show respect out of school, either at home or in their local community.

In November, all the children will be involved in the Anti-Bullying Week 2018, the theme is: **'Choose Respect.'** Anti-Bullying Week runs from 12<sup>th</sup> - 16<sup>th</sup> of November and on the 12<sup>th</sup> of November it is Odd Socks Day. We will be collecting donations from the children and staff who are wearing odd socks to support this year's Anti-Bullying theme.

Both of the year five classes have been up to the beach as part of their learning and completed a litter pick removing any plastic from the beach. They collected an amazing 10 bags of rubbish!

## Attendance

Thank you for all your support with raising our attendance rates. We reached 98% in term 1. A very supportive parent donated a large number of new books and we were able to offer rewards to 70 children at the end of term 1.

## Netball/Basketball Posts

As there will not be many more opportunities to use the school field, we have had the opportunity to install new netball and basketball posts on the playground and muga in the Key Stage 2.

This will give the children more opportunities to play a wider range of games at playtime as well as during PE.

## Termly Learning Conferences

Termly Learning Conferences are now available to book on Parent Mail. The dates and times are:

Tuesday 13<sup>th</sup> November ~ 2.00 – 4.00 pm  
& 4.30 pm - 6.30 pm.  
Wednesday 14<sup>th</sup> November ~ 2.00 – 4.00 pm  
& 4.30 pm – 7.00 pm.

## Love in a Box

You should have all now received your leaflet and letter regarding this year's Love in a Box collection. This can be for a girl or a boy.

Once you have completed them, please hand them into the school office by 29<sup>th</sup> November.

**Headteacher Awards** ~ The following children have been recognised for working well during the school week.

- Poppy W for really getting into character to do a first person account.
- Aimee S for using P and ! in the same piece of writing.

## Parking Problems at The Haven School

We have been informed that the following letter has been given to all residents who have parents park either outside their property or in their roads.

**Dear Neighbour,**

**Re: Parking for The Haven School Drop Off**

***If, like myself, you have experienced the anti-social behaviour of drivers parking to drop their children at the Haven School you may be interested to know how you can report this to the police.***

***You can either telephone the police by dialling 101 or report it to the police at [www.sussexpolice.co.uk](http://www.sussexpolice.co.uk) and click on report online. Having spoken to the police today, they have advised me that reports online are logged as incidents and resources are then allocated according to the level of the incident reports.***

***Alternatively, you can report it via Operation Crackdown. This allows you to report (if you have photographic evidence that supports your report that can be uploaded). A warning letter is then sent to the registered keeper of the vehicle (or whoever was driving the vehicle) requesting that they alter their driver behaviour. They will be warned that further offending will result in action being taken by local police and reports stay in the Crackdown database providing a history of vehicle's and allegations so the police can identify 'hotspots' of anti-social driver behaviour.***

***If we all work together, I think we can significantly improve the situation for all of us.***

***Yours sincerely***

***Your neighbour.***

As a school, we are shocked that a number of parents have been being anti-social to our neighbours in Wade Close and other closes surrounding the school. We have had numerous reports of parents who are verbally abusing the neighbours and of parents even parking in neighbour's private driveways. This behaviour is completely unacceptable and as a school, we completely support the local community in reporting our parents to the local police.

Please can we ask that all parents please have some consideration, you would not like it if you came home and someone was blocking your drive or parked on your drive. We would also like to remind parents that we have parking permits available in the school office, giving parents access to the berth holders car parking at the end of Atlantic Drive.
