

Along to Bethlehem (Mary And Jo)

1. Mary and Jo had such a long way to go,
They had to travel to where they were born.
Those were the days, they had no buses or trains
And it was seventy miles or so.

CHORUS

*So a donkey carried Mary
Along to Bethlehem.
Not a comfy kind of journey,
But God took care of them.*

2. Mary and Jo had such a long way to go,
They had to travel to where they were born.
Mary was tired, she was expecting a child,
She would prefer to have stayed back at home!

CHORUS

3. Mary and Jo had such a long way to go,
They had to travel to where they were born.
Those were the days, they had no buses or trains
And it was seventy miles or so.

CHORUS

*So a donkey
Carried Mary,
Along to Bethlehem.
Not a comfy
Kind of journey,
But God took care of them,
(Repeat)*

But God took care of them.
